

Principal Booster Shots

You *need* support to *give* support

New Memphis is here to give you a *boost* to be the best you can be.

The Big Idea:

**Retaining Teachers
Requires Developed Leaders**

21%

of teachers state dissatisfaction with their administration as a key factor in their decision to leave

What We Know:

As a school leader you carry a lot of weight on your shoulders.

Professional development opportunities are not readily available for you.

You are expected to wear many hats and work to meet the needs of a diverse group of individuals.

The New Memphis Solution:

Learn from high-performing corporate leaders in quarterly professional development breakfasts that equip you with out-of-the-box thinking and leadership strategies to drive retention in your schools.

The Calendar:

All events are **Wednesdays** from **7-8:30 am** in the **Church Health Community Room** at **Crosstown Concourse**.
